Enclosure

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF MIKE)	CASE NO. 2008-00247
LITTLE GAS COMPANY, INC.)	

ORDER

On October 22, 2003, in Case No. 2003-00141,¹ the Commission approved rates for Mike Little Gas Company, Inc. ("Mike Little"), and provided for their further adjustment in accordance with Mike Little's Gas Cost Adjustment ("GCA") clause.

On July 1, 2008, Mike Little filed its proposed GCA to be effective August 1, 2008.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Mike Little's notice includes revised rates designed to pass on to its customers its expected change in wholesale gas costs.

2. Mike Little's notice sets out an Expected Gas Cost ("EGC") of \$12.5999 per Mcf. Mike Little incorrectly calculated several of the components in its EGC. First, Mike Little incorrectly converted the volumes purchased from Equitable Gas Company ("Equitable").² Next, Equitable's rate should be applied per Decatherm, rather than per

¹ Case No. 2003-00141, Application of Mike Little Gas Company, Inc. for an Adjustment of Rates Pursuant to the Alternative Rate Filing Procedure for Small Utilities.

² Mike Little's purchases from Equitable are stated in Decatherms and therefore must be converted into 1,000 cubic feet. The proper way to calculate the conversion is to divide the Equitable purchase volume by the conversion factor, rather than by multiplying by the factor.

Mcf. Finally, Mike Little purchases part of its natural gas from Columbia Gas of Kentucky, Inc. ("Columbia") under Columbia's Intrastate Utility Service ("IUS") rate. Columbia's IUS rate has recently been updated,³ effective May 30, 2008. The Commission will update the calculation to reflect the more current IUS rate, in order to provide a better estimate of Mike Little's purchased gas costs over the upcoming quarter. Correcting for these items produces an EGC of \$12.3938 per Mcf, which is an increase of \$1.1312 per Mcf from the previous EGC of \$11.2626. Staff's recalculation of Schedule II is attached as Appendix B.

3. Mike Little's notice sets out no current quarter Refund Adjustment ("RA"), and it had no RAs from previous quarters.

4. Mike Little's notice sets out a current quarter Actual Adjustment ("AA") of \$1.005 per Mcf. Mike Little incorrectly calculated its total sales and unit cost of gas for all three months. Correcting for this produces a current quarter AA of \$.9856 per Mcf. Mike Little's notice sets out a total AA of \$1.2138 per Mcf. Mike Little carried forward incorrect prior quarter AAs in developing its total AA. Correcting for this produces a total AA of \$1.2408 per Mcf, which is a decrease of \$.4519 per Mcf from the previous total AA. Staff's recalculation of Schedule IV is attached as Appendix B.

5. Mike Little's GCA Rate is \$13.6346 per Mcf, which is \$.6793 per Mcf more than the previous rate of \$12.9553.

³ Case No. 2008-00157, Notice of Purchased Gas Adjustment Filing of Columbia Gas of Kentucky, Inc., Order dated May 16, 2008.

6. The rates in Appendix A to this Order are fair, just, and reasonable, and should be approved for billing for service rendered by Mike Little on and after August 1, 2008.

IT IS THEREFORE ORDERED that:

1. Mike Little's proposed rates are denied.
2. The rates in Appendix A, attached hereto and incorporated herein, are approved for billing for service rendered on and after August 1, 2008.
3. Within 20 days of the date of this Order, Mike Little shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 22nd day of July, 2008.

By the Commission

ATTEST:

Stephanie Gumbo
Executive Director

APPENDIX A

APPENDIX TO AN ORDER OF THE KENTUCKY PUBLIC SERVICE
COMMISSION IN CASE NO. 2008-00247 DATED JULY 22, 2008
